Dear Dr. Restituyo:

Congratulations! You have been selected to receive the "**DANR Excellence Award in Health.**" This award is given by the Board of Directors of the Dominican American National Roundtable (DANR) to outstanding Health Professionals, Researchers, and Activists with a proven track record of community service on projects that directly impact the Dominican community in the United States or who are working on education awareness issues in public health. We have selected eight Doctors from across the country, a community health activist and the director of a community health clinic.

The "**DANR Excellence Award in Health**" will be given to you at our 6th Annual National Conference to be held at the Atlantic City Convention Center on October 10-12, 2003. This award goes in accordance with the conference's theme of "**Dominican American Future-Health & Economic Empowerment,**" that encapsulates our community's urgent need to focus on health, community development, and education.

As we are expecting a record turnout of approximately 600-700 guests, your contribution is greatly appreciated. The cost of the conference would be \$150 for general public, and \$100 for students. To register for the conference, please visit www.danr.org. Also, to book rooms at the Hotel you will need to call the Sheraton Hotel at Atlantic City at (800)-325-3535.

Finally, we need your biography and photo email to mcepeda@bellsouth.net, if you need further assistance or more details call me at 305.867-0051, or Jose Bello, Executive Director 202-238-0097.
